Dear Mr. Tallman:

I am enclosing several items and amended report sections to clear up a number of issues raised in your letter to Mr. Dave Parrish, our former PAC Treasurer. Mr. Parrish was Treasurer of our PAC when it was known as ADEPT. With several different dairy cooperatives merging into Mid-America Dairymen, Inc. within the last year, we have also merged in two PACS. On January 1, 1995 we changed the name of our surviving PAC from ADEPT to DEPAC. The FEC ID # was retained.

I am enclosing documents, reports, or letters to address the following:

1) Letter indicating I am the Treasurer of Mid-Am DEPAC as of January 1, 1995. Assistant Treasurers are Mr. Jerry Bos and Mr. Bernard Brownell. Mr. Parrish is no longer Treasurer of our PAC nor on our PAC board, but continues to work for our firm in the Corona, CA office.

2) February and March monthly report questions concerning itemization of transfers from affiliates, in this case, merged PACS. Merger documentation is enclosed as well as a Schedule A for each of the months in question.

3) July monthly report itemized disbursements are explained. These were for director expenses for a June DEPAC board meeting in Washington, DC. and are for airfare, hotel rooms, and meals associated with travel to that meeting. A report for August is also included because one of our director's expense report came in after the July report was filed and was included in August report.

4) A \$1000 contribution made to Senator Connie Mack's Committee(Friends of Connie Mack) designated as debt retirement for 94 was an error. This should have been listed as for Primary 2000. We are enclosing an amended report, Schedule B showing the

correct designation.

5) A Schedule B was included in our June report showing \$7500 on line 29 in error and did not occur. This came from a draft of our report that was in error. A correct copy is enclosed.

We apologize for these errors, which were unintentional. Please feel free to call if we may be of further assistance.

Respectfully,

Roger D. Eldridge
